DEPARTMENT OF SCIENCE AND HUMANITIES

DETAILS OF THE RESOURCE PERSON

Mr. S. Sivakaminathan M.Sc., M. Phil., B.Ed., was born and brought up in Madurai. He completed his degree in B.Sc., in Govt. College (Auto), Kumbakonam. He did M.Sc., in Govt. College (Auto), Kumbakonam and then B.ed., IASE (Auto) Saidapet, Chennai and also completed SET Mathematics in Mother Teresa Women's University.

His knowledge in Social entrepreneurship is a crucial tool for positive change in addressing global challenges like poverty, healthcare, and environmental degradation. However, challenges like limited resources, scalability concerns, and balancing financial viability and social impact pose challenges.

Social entrepreneurs innovate and provide social value in a world that is changing quickly. Today's social workers must reinterpret their tasks to incorporate those of social entrepreneurs.

DEPARTMENT OF SCIENCE AND HUMANITIES

REPORT OF THE EVENT

Date: 28.02.2019

Title : "SOCIAL ENTREPRENEURSHIP AND GLOBAL CHALLENGES"

Date : 26.02.2019

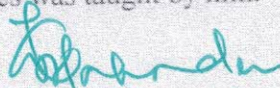

Resource Person : Mr.S.SIVAKAMINATHAN

Total Participants : 60

A Workshop on "SOCIAL ENTREPRENEURSHIP AND GLOBAL CHALLENGES" was organized by CMSCE Seminar Hall on 26.02.2019 at 10AM to 4PM. The aim of the workshop is to understand the basics of positive impact of society. Mr. S. Dhinesh HOD/CSE delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Mr.C.A.Sathiyamoorthy, Principal. Further he explained the importance of Social Entrepreneurship.

Mr.S.Sivakaminathan explained the terms of social entrepreneurship used first in literature on social change in 1960s and 1970s. The terms came into widespread use in the 1980s and 1990s, promoted by Bill Drayton the founder of a Ashoka, Innovators for the public and others such as Charles. A social entrepreneur approach toward s identifying the practical solutions to social problems by combining innovation, resourcefulness and opportunity. These entrepreneurs find out innovative processes, services and products, or indistinct ways of merging proven practice with innovation to address difficult social issues. So the focus of their work is on development of an enterprise, education, environment, health and labor conditions or human rights, social entrepreneurs are people who acquire on the problems made by changes in terms of opportunities to societies was taught by him.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

WORKSHOP ON "WORKSHOP ON ANDROID PROGRAMMING WITH FIREBASE"

REPORT

Date: 27.02.2019

The "WORKSHOP ON ANDROID PROGRAMMING WITH FIREBASE" on 25.02.2019 the workshop started by 10 AM and ended by 03.30 PM. It was attended by Students from our college and surrounded colleges with great enthusiasm. The event began with welcoming the Guest MS.M. ARCHANA DEVI by our College Management.

After the felicitation of our Chief Guest MS. M. ARCHANA DEVI who gave a brief introduction about the use of firebase in all sorts of directions. The session went good with more interaction and usefulness of android programming in our day to day life with recent trends. All the Students were taught the importance of the Android Firebase. At end of the workshop we had interaction session with students and we concluded the Programme by Vote of Thanks.

REQUISITION LETTER

13.02.2019

From

The HOD
Department of Science and Humanities
CMS College of Engineering
Namakkal

To

The Principal
CMS College of Engineering
Namakkal

Respected Sir,

Sub: Request for Permission to conduct seminar

We are requesting permission to conduct a seminar on "THE MATHEMATICS OF ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING". It will be an enthusiastic and engaging session that encourages students to get more interest in mathematics. The seminar will be planned to held in seminar hall on 20.02.2019 from 10AM to 1PM. Kindly confirm your decision on this matter at your earliest convenience.

Thanking you

V. P. S.
Yours Sincerely

DEPARTMENT OF SCIENCE AND HUMANITIES

SEMINAR ON "THE MATHEMATICS OF ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING"

REPORT

Date: 22.02.2019

The Department of Science and Humanities is organized a one day Seminar on "THE MATHEMATICS OF ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING" on 20.02.2019. The College Principal Dr.C.A.SATHYAMOORTHY started the Seminar and delivered the presidential address. Dr.Ponnarasan, HOD/ Physics welcomed the chief guest and participants in the Seminar. Mr.T.RAMESH Assistant Professor overviewed the mathematics of Artificial Intelligence and Machine learning.

Mr.T.RAMESH, explained about Linear Algebra, Calculus and Probability and Artificial intelligence in your AI career. Around 56 no of participants attended the workshop and gained knowledge about the Linear Algebra, Calculus and Probability are what powers Artificial intelligence. Around 1 PM the valedictory function is conducted. Mr.V.VELLAIYAN AP/MATHEMATICS Assistant Professor, Department of mathematics delivered the valedictory address and distributed the certificates to the participants. Finally Association secretary has delivered the vote of thanks, the Seminar ends with National Anthem.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING REPORT

Date: 15.02.2019

Name of the Event: Current Scenario of IPR in India

Date(s) : 13.02.2019

Resource Person: C. Thangaraju, MBA, M.Phil [Ph.D]

We would like to conducting IPR based seminar on Current Scenario Of IPR In India organized by CMS College of Engineering on 13.02.2019. The aim of the seminar is to create knowledge among the participants about Current Scenario Status in India.

G.Suresh delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Principal, CMS College of Engineering. Further, he highlighted the importance of intellectual Property Rights Development.

C. Thangaraju talk about Current Scenario Of IPR. He discussed on what is IPR. Why Countries Care for IPR. discussed about the types: In India, there are 7 types of intellectual property rights, namely – copyright, trademarks, patents, geographical indications, plant varieties, industrial designs and semiconductor integrated circuit layout designs. And finally Current Scenario Of Intellectual Property Rights in India.

REPORT OF THE EVENT

Date: 08.02.2019

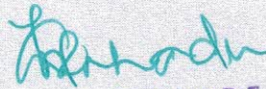

Title : MOBILE APPLICATION DEVELOPMENT
Date(s) : 06.02.2019
Resource Person : Dr. P.RAJESHWARI
Total Participants : 35

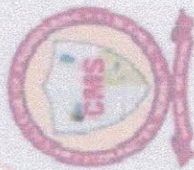

A seminar on Mobile application development was organized by Department of Electronics and Communication Engineering on 06.02.2019 for the students and Staff member.

The objective of the seminar was to develop any mobile application should be to provide real and meaningful values to users. This involves solving problems, simplifying tasks, or providing quality entertainment. Mobile application development frameworks have revolutionized the way applications are created and deployed. Mr.G.Chinnamani Assistant Professor/Department of Electronics and Communication Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

At the end of the session, Certificates will be issued to the participants.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Seminar on CONTROL SYSTEM AND ITS APPLICATIONS

DETAILS OF RESOURCE PERSON

Mrs.K.Thenmalar is an associate professor in the Department of Electrical and Electronics Engineering, Vivekananda College of engineering for women (Autonomous), Thiruchengode, Tamil Nadu, India. Mrs. K. Thenmalar joined VCEW in 2004 and has teaching experience spanning nearly 14 years. She was promoted to Associate professor, Department of Electrical Engineering, in the year 2017. She keeps updating herself with the latest knowledge in his discipline and likes to interact with the students on present-day issues and topics. Passionate about his work, she sets realistic goals and displays professionalism in his undertakings. She has served the institution as a member and head of several committees. He has attended several conferences and faculty development programs and presented and published papers in fields related to electrical and electronics engineering.

Mrs. K. Thenmalar organized one international and four national conferences and more than 20 seminars, guest lectures, and workshops in VCEW to enhance the student's skills.

She published more than 12 papers in reputed national and international journals, more than 15 papers in national and international conferences, and 3 patents.

Her fields of interest are power systems, soft computing and fuzzy logic controller and intelligent systems and control. She teaches undergraduate and postgraduate courses in electrical and electronics engineering. She got supervisor recognition from Anna University in 2018.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

REPORT

Date: 21.01.2019

Title : CONTROL SYSTEM AND ITS APPLICATIONS

Date(s) : 11.01.2019

Resource Person : Mrs.K.Thenmalar

Total Participants : 50

A Seminar on “CONTROL SYSTEM AND ITS APPLICATIONS” was organized by Department of Electrical and Electronics, CMS Engineering college campus on 11.01.2019 at 10AM-4PM. The aim of the seminar is to understand the basics of designing and implementing automated control systems for various applications.

Mr.G.Suresh, Assistant Professor, Department of EEE, delivered the welcome address and he extended his warm welcome to the resource person and participants.

The presidential address was given by Principal, CMS Engineering College. Further he explained the importance of control system.

Mrs. K. Thenmalar explained what a control system is. Then she explains the basic examples of a control system.

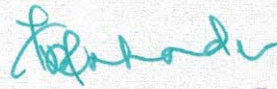

She explains about the types of control system:

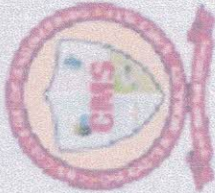

- Open- loop control system
- Closed- loop control system
- Feedback control system its configuration.

After the lunch break, she explained the Applications of the control system. Finally, she concludes the seminar by explaining the uses of control system and some examples its applications.

At the end of session, doubts of the students also cleared. Finally the vote of thanks was proposed by Mr.G.Suresh, Head of EEE department. Certificates also provided to the participants.

DEPARTMENT OF MECHANICAL ENGINEERING

REPORT OF THE EVENT

Date: 05.01.2019

Title : Recent Trends in Additive Manufacturing
Date(s) : 03.01.2019
Resource Person : Mr. S.Murugesan, BE, MBA
Total Participants : 45

A seminar on Latest Trends on Mechanical Engineering was organized by Department of Mechanical Engineering on 03.01.2019 for the students and Staff member.

Mr.M.Selvakumar, Assistant professor / Department of Mechanical Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The objective of the seminar was Latest Trending mechanical Engineering technology. First you will learn here some of the key areas where mechanical engineering is expected to have significant scope in the future:

- Selective laser melting (SLM) and direct metal laser sintering (DMLS).

Once the session gets over, Certificate was issued to the participants.

To

The Principal
CMS College of Engineering
Namakkal

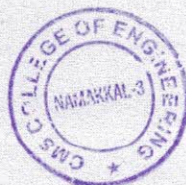

Respected Sir,

Sub: Requesting Permission to conduct Seminar - Reg.,

We wish to inform you that we are planning to conduct a Seminar on "POLYMER APPLICATIONS IN ENVIRONMENTAL SCIENCE". It will be an interactive and engaging session that encourages students to get more interest in environmental protection and eco friendly nature. The seminar will be planned to be held on 1st November 2018 from 10AM to 1PM. So, we kindly request you to grant me permission for conducting the seminar.

Thanking you

V. P. f
Yours Sincerely 27/10/18

DEPARTMENT OF SCIENCE AND HUMANITIES

SEMINAR ON "POLYMER APPLICATIONS IN ENVIRONMENTAL SCIENCE"

REPORT

03.11.2018

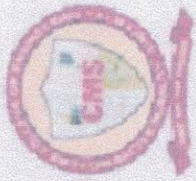

The Department of Science and Humanities organized a one day Seminar on "POLYMER APPLICATIONS IN ENVIRONMENTAL SCIENCE" on 01.11.2018. The College Principal Dr.C.A.SATHYA MOORTHY delivered the presidential address. Dr. Ponnarasan HOD/science and humanities welcomes the chief guest and participants in the Seminar.

Mr. B.PALANIYANDI delivered the speech on polymer chemistry, and various types of polymer materials with its environmental affects. 50 numbers of participants attended this workshop and gained knowledge about the polymer technology and environmental protection and sustainable treatment processes.

Around 4 PM the valedictory function is conducted. MS.P.HEMA AP/CHEMISTRY Assistant Professor, Department of Chemistry delivered the valedictory address and distributes the certificates to the participants. Finally Association secretary has delivered the vote of thanks, the Seminar ends with National Anthem.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING SEMINAR ON "DESIGN OF SOLAR PV SYSTEM USING MATLAB SIMULINK"

DETAILS OF RESOURCE PERSON

Mr.S.Vijayakumar is an assistant professor in the Department of Electrical and Electronics Engineering, Gnanamani College of Technology, Namakkal, Tamil Nadu, India. He keeps updating himself with the latest knowledge in his discipline and likes to interact with the students on present-day issues and topics.

He published more than 10 papers in reputed national and international journals, more than 15 papers in national and international conferences, and more than 2 patents.

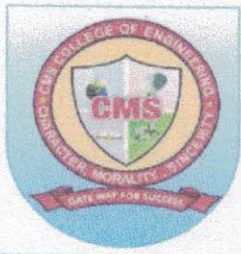

His fields of interest are power electronics and applications, grid-connected systems, transmission and distribution, MPPT design and switchgear, and applications to photovoltaic systems. He teaches undergraduate and postgraduate courses in electrical and electronics engineering and biomedical engineering.

He received the active SPOC award for the SWAYAM-NPTEL local chapter for being NPTEL's brand ambassador at an esteemed institution at IIT Madras.

He participated in and conducted more than two two-week ISTE STTPs on pedagogy for effective use of ICT in engineering education conducted by IIT Bombay under the National Mission on Education through ICT (MHRD), two-week ISTE STTPs on pedagogy for effective use of ICT in engineering education conducted by IIT Kharagpur under the National Mission on Education through ICT (MHRD), and attended more than 15 workshops in various reputed institutions. Mr.S.Vijayakumar is an active member of the ISTE and BMESI.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

REPORT OF THE EVENT

Date: 08.09.2018

Title : DESIGN OF SOLAR PV SYSTEM USING MATLAB SIMULINK
Date(s) : 05.09.2018
Resource Person : Mr.S.Vijayakumar
Total Participants : 60

A Workshop on DESIGN OF SOLAR PV SYSTEM USING MATLAB SIMULINK was organized by Department of Electrical and Electronics, CMS Engineering college campus, EEE block on 05.09.2018 at 10AM-4PM. The aim of the workshop is to understand the basics of MATLAB tools and renewable energy and implement the solar energy using power converters. Mr.S.Vivekananth, Assistant Professor, Department of EEE, delivered the welcome address and he extended his warm welcome to the resource person and participants. The presidential address was given by Principal, CMS Engineering College. Further he explained the importance of solar panel and green energy.

Mr.S.Vijayakumar explained how renewable energies are playing major role in power generation. then he explain the photovoltaic system is a special electrical system that produces energy from a renewable and inexhaustible source, the sun. There are two types of photovoltaic systems: Grid-connected systems are systems that are integrated with conventional residential and industrial electricity systems. Further he presented the basics of solar panel, types, rating and which type of converters are using presently. After the lunch break using MATLAB simulink, design of solar PV system was taught by him. The following contents were explained by him after the lunch break.

- Determine power consumption demands
- Size the PV modules
- Inverter sizing
- Battery sizing
- Solar charge controller sizing

The above topics were clearly explained with examples. Finally he concludes the workshop by explaining the uses and its applications. At the end of session, doubts of the students also cleared. Finally the vote of thanks was proposed by Mr.G.Suresh, Head of EEE department. Certificates also provided to the participants.

REPORT OF THE EVENT

Date: 05.09.2018

Title : EVALUATION OF EMBEDDED AND IOT
Date(s) : 03.09.2018
Resource Person : Mr. AMARNATH KARTHIC., MBA HR, M.SC.
Total Participants : 40

A workshop on Evaluation of embedded and IOT was organized by Department of Electronics and Communication Engineering on 03.09.2018 for the students and Staff member.

Mr. G. Chinnamani Assistant Professor/Department of Electronics and Communication Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The objective of the Seminar was to develop mobile electronic equipment, which interface with wireless networks and applications. First you will focus on the fast-changing area of embedded digital systems for communication and control. Some embedded systems might also run a lightweight OS, such as a stripped-down version of Linux. IOT & Embedded is what paves way for future technologies like Artificial Intelligence.

REPORT ON THE SEMINAR "VOLTE TECHNOLOGY OVER 4G"

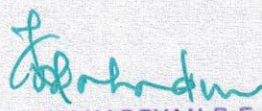

ON 14.08.2018

DATE: 16.08.2018

The "SEMINAR ON VOLTE TECHNOLOGY OVER 4G" held on 14-08-2018 in CMSCE Seminar Hall. The workshop started by 09.30 AM and ended by 12.30 PM. It was attended by Students from our college with great enthusiasm. The event began with welcoming the Guest Ms.UsharaniMuniraj by our College Management. The students were coordinated by Mr.K.Maheshkumar, Assistant Professor, Computer Science and Engineering Department, CMS college of Engineering.

Resource person Ms. UsharaniMuniraj gave quality information on "VOLTE TECHNOLOGY OVER 4G". She explained VoLTE, Voice over LTE is an IMS-based specification. Adopting this approach, it enables the system to be integrated with the suite of applications that will become available on LTE. When 3GPP started designing the LTE system, prime focus was to create a system which can achieve high data throughput with low latency and at the same time has the capability to guarantee an end to end Quality of Service (QoS). She defined the LTE in all IP network and during the initial phases of its development, the ability to carry traditional service like the voice was not given much importance. Therefore, for LTE networks to carry traditional circuit-switched voice calls, a different solution was required. This solution to carry voice over IP in LTE networks is commonly known as "VoLTE". Basically VoLTE systems covert voice into the data stream, which is then, transmitted using the data connection.

REQUISITION LETTER

From

07.08.2018

The HOD
Department of Mechanical Engineering
CMS College of Engineering
Namakkal

To

The Principal
CMS College of Engineering
Namakkal (DT) - 637003

Requested Sir,

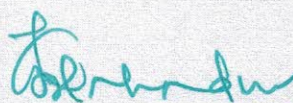

Sub: Request permission to conduct a Webinar on **"Awareness Program on IPR and the Right"**. - Reg.

It is pleasure to inform you that the Department of Mechanical Engineering has planned to conduct a Webinar titled **"Awareness Program on IPR and the Right"** on 09.08.2018 with the aim of encouraging the students to gain knowledge of the awareness program. So, we kindly request you to grant us permission to conduct the programme. Kindly do the needful.

Thanking you,

Yours Sincerely,

Dr. K. MAHADEVAN, B.E., M.E., Ph.D

REPORT OF THE EVENT

Date :13.08.2018

Title : Awareness Program on IPR and the Right
Date(s) : 09.08.2018
Resource Person : Mr.S.SURESH.M.E, (Ph.D.)

CMS College of engineering conducted a webinar on 09.08.2018 at 10.10 AM. . Head of the department introduced our resource person **Mr.S.SURESH.M.E, (Ph.D.)** Assistant Professor /MechKLNCIT – Madurai. The Resource persons delivered speech on Awareness Program on IPR and the Right was organized by the institution.

They are participants in this session form the various departments. The Principal gave the students an insightful lecture about the importance of having this webinar and also encouraged the students. The resource person mention about the scope, limitation and benefits of qualitative research in engineering studies. The students listen the session and also provide feedback about the webinar. He also mention about the advantages and disadvantages of research in engineering studies. We also received a positive feedback from the students as well as from the resource person. Mr. D.Ashokkumar, delivered the vote of thanks. The function was finally ended by thanking management, Principal, HODs and faculties.

CMS College of Engineering
Namakkal

To

The Principal
CMS College of Engineering
Namakkal

Respected Sir,

Sub: Request for Permission to conduct seminar – Reg.

We require authorization to conduct the program as the Department of Science and Humanities desire to hold a one-day seminar on the "Technology's Impact of Entrepreneurship" on 02.08.2018. The purpose of the seminar is to raise awareness of the fundamental concepts and abilities of technology-based entrepreneurship. We will take responsible care of all logistics and make sure that routine activities are not disrupted excessively. We are willing to discuss any specifics at your convenience and respectfully ask for your agreement to hold the seminar.

Thanking you

V. P. f

DEPARTMENT OF SCIENCE AND HUMANITIES

SEMINAR ON "TECHNOLOGY'S IMPACT OF ENTREPRENEURSHIP"

REPORT OF THE EVENT

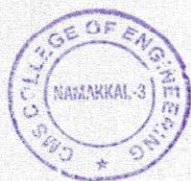

Date: 06.08.2018

Title : Technology's Impact of Entrepreneurship
Date : 02.08.2018
Resource Person : Mr.E.Vinoth
Total Participants : 50

Mr.E.Vinoth explained how the technologies are playing major role in entrepreneurship. Then he explain how the technology enables entrepreneurs to access information, resources, markets and customers more simply and economically than ever before and to create new products and services, or improve existing ones, by leveraging digital tools, platforms and networks. The intersection of technology and entrepreneurship had a significant impact on the entrepreneurial sector.

- Inventory Management
- Time saving
- Customer services

The above topics were clearly explained with examples. The seminar explores recent trends of technology's influence on student entrepreneurship, emphasizing both the chances that encouraged development and the necessity of carefully analyzing the potential hazards. The seminar successfully conveyed a complete knowledge of the interconnected relationship between technology and entrepreneurial success through real-life examples, current trend analysis, and insights into future destination. Finally he concludes the seminar by explaining the uses and its applications. At the end of session, doubts of the students also cleared.

REQUISITION LETTER

From,

Date: 12.07.2018

The HOD
Department of Mechanical Engineering
CMS College of Engineering
Namakkal

To,

The Principal
CMS College of Engineering
Namakkal

Respected Sir,

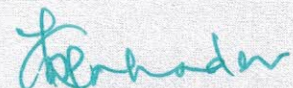

Sub: Request permission to conduct a seminar on "**Latest Trends on Mechanical Engineering**"- Reg.

We are requesting permission to conduct a seminar on "**Latest Trends on Mechanical Engineering**". It will be an interactive and engaging session that encourages students to gather knowledge of solar energy. I believe that it will be a valuable addition to the educational opportunities offered by our institution.

Thanking you

Yours Sincerely,

Dr. K. MAHADEVAN, B.E., M.E., Ph.D

DEPARTMENT OF MECHANICAL ENGINEERING

REPORT OF THE EVENT

Date: 21.07.2018

Title : Latest Trending on Mechanical Engineering
Date(s) : 19.07.2018
Resource Person : Mr. S.Murugesan, BE, MBA
Total Participants : 91

A seminar on Latest Trends on Mechanical Engineering was organized by Department of Mechanical Engineering on 19.07.2018 for the students and Staff member.

Mr.M.Selvakumar, Assistant professor/Department of Mechanical Engineering delivered the welcome address and he extended his warm welcome to the resource person and participants.

The objective of the seminar was to Latest Trending mechanical Engineering technology. First you will here are some of the key areas where mechanical engineering is expected to have significant scope in the future:

- Renewable Energy
- High Speed Machining
- Mechanical Energy Storage
- Airless Tires

Once the session gets over, Certificate was issued to the participants.
